

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Officers

26 JUL 1984

To Bob Oster
From Dave Gries

I understand from the CT people that you have asked them to start their course with a threat document.

While recognizing that the document will be largely military, would you want to include the attached to add a political dimension?

The underlining incidentally is Casey's. I sent him the article as follow-up to a conversation. Dan Gregg & I use it in our course.
